REPORT OF THE

# County Commissioners.

---

In accordance with the provisions of Section 4, Chapter 153, of the Acts of 1897, the County Commissioners for the County of Bristol herewith submit the following as their annual report upon the affairs of said County for the year 1898.

## FINANCIAL STATEMENT.

Exclusive of the amount received from temporary and permanent loans the total receipts of the County for the year 1898 have amounted to $419,375.23; of this amount $360,000 was raised by taxation, and the balance was made up of money in the hands of the Treasurer January 1, 1898, receipts from the sale of merchandise, fines, fees, interest on deposits, and premiums on loans.

There has been expended during the year the sum of $363,060.20; leaving a balance in the hands of the Treasurer January 1, 1899 of $56,315.03. The estimated expenditures for the year 1899, (which will be presented to the Legislature for approval) amount to $396,000; deducting from this the amount now in the hands of the Treasurer, viz; $56,315.03 plus the estimated receipts for 1899, viz; $39,700, there will remain $300,000, which it will be necessary to raise by taxation. This sum is $60,000 less than was raised by taxation in 1898. The cause of the reduction is accounted for as follows:—During the year 1898 a larger amount was received

from the sale of merchandise, and from fines, fees, and interest, than was estimated; also in a number of the departments the expenditures did not equal the estimates and consequently there remained a balance in the Treasury at the end of the year.

During the year three departments have exceeded the estimate made by the Board, viz: Salaries of Jailers, Masters and Assistants, support of prisoners in Jail and House of Correction $4,018.00; Auditors, Masters and Referees, $598.00; supplies for the County Buildings $95.00.

The cause of the deficiency in the first named department was on account of an Act passed by the Legislature restricting the manufacture of shoes in the Jails and House of Correction, and by an order of the Superintendent of Prisons removing that industry to the State Prison, thereby rendering all the machinery used for such purpose useless to the County.

A new industry had to be introduced to keep the prisoners employed, that of making inner soles for shoes and other purposes, from scraps of leather, and new machinery had to be purchased to carry on the industry.

The cause of the deficiency of the amount estimated for Auditors and Referees arises from the fact that no accurate estimate can be made of the amount that will be required for that department.

The debt of the County January 1, 1898, was $630,000 and on January 1, 1899, $1,005,000.00, showing an increase for the past year of $375,000.00. Of this amount $630,000.00 has been borrowed for the construction of the New Bedford and Fairhaven Bridge, and $130,000.00 for the construction of the Jail and House of Correction at Fall River. During the year there has been borrowed the sum of $670,000.00; of this amount $200,000.00 was for temporary purposes, and the balance, $470,000.00, a permanent loan.

Of the debt of the County there has been paid during the past year the sum of $95,000.00, made up of the following notes:

| | |
|---|---|
| On account of the Fall River Court House, | $40,000.00 |
| On account of the Taunton Court House, | 15,000.00 |
| On account of the Jail and House of Correction at Fall River, | 15.000.00 |
| On account of Berkley Bridge, | 25,000.00 |

During the coming year the following notes will mature.

| | |
|---|---|
| On account of Taunton Court House, | $20,000.00 |
| On account of Fall River Court House, | 20,000.00 |
| On account of Jail and House of Correction at Fall River, | 5,000.00 |
| On account of Jail and House of Correction at Fall River, | 10,000.00 |

The estimated amount of interest to be paid during the year is $50,000.00.

There are no taxes due and unpaid.

For specific details of receipts and expenditures of the County for the year 1898 and for statement of the County Debt in detail, we beg leave to refer to the foregoing report of the Treasurer.

### The Following is a List of the Assets of the County.

| | |
|---|---|
| Court Houses, Land and Furnishings, Taunton, | $385,000.00 |
| Registry of Deeds, Building; land and furnishings, Taunton, | 35,000.00 |
| Jail, land and furnishings, | 175,000.00 |
| Court House, land and furnishings, New Bedford, | 80,000.00 |
| House of Correction, land and furnishings, New Bedford, | 400,000.00 |
| Court House, land and furnishings, Fall River, | 260,000.00 |
| House of Correction, Jail and land, " " | 86,000.00 |
| Law Libraries, | 45,000.00 |
| Norfolk, Bristol and Plymouth Union Trunt School, | 3,500.00 |
| | $1,469,500.00 |

## FALL RIVER JAIL AND HOUSE OF CORRECTION.

By Acts of 1897; Chapter 297, the Commissioners are required to construct a House of Correction and Jail at Fall River, and, in accordance with said Act, the Commissioners during the early part of the year caused plans and specifications for such Jail and House of Correction to be prepared by Mr. Nathaniel C. Smith of New Bedford, which were ap-

proved, and contracts for the building of the same were awarded as follows:—

For Construction.—To Beattie & Cornell of Fall River, for the sum of $99,950.00.

For Heating and Ventilating.—To Miller & Johnson of Fall River, for the sum of $4,883.00.

For Plumbing.—To William Kennedy of Fall River, for the sum of $2,399.00.

For Piping for Gas.—To Miller & Johnson, of Fall River, for the sum of $775,000.00.

Work upon this building has proceeded in a satisfactory manner and all the buildings, consisting of the jail, engine-room, laundry and store-room, have been erected and covered in.

The contractors are now at work on the interior and it is expected to be ready for occupancy by September 1st. Several changes have been made in the construction of the building since the contract was awarded. The most extensive alteration has been in changing the front of the cells from brick to steel, with sliding doors with Panly lock devise, at a cost of $3,000; the other changes that have been made are incidental and not of large amount, and the building will be completed within the appropriation of $140,000.00, including the land. The furnishing of the same has been provided for in the estimates of the present year.

## HIGHWAYS.

No new highways have been laid out during the past year and no petitions for laying-out or widening have been received. A petition was received from the Selectmen of Westport for a rebate upon the cost of the road on Horseneck, in the Town of Westport, upon which a full hearing was given to the parties and it was deemed best to repay to the Town of Westport the sum of $1,250.00. No action has been taken during the past year in regard to the proposed new highway

in the Town of Swansea, but we hope some work may be done during the present year to hold the right of the lay-out.

## STATE HIGHWAYS.

There has been constructed in the County the past year, 8,792 feet of macadam and 410 feet of gravel road, total 1.74 miles, at a cost of $14,341.83, or at the rate of $8,226.24 per mile. Total amount in the County, including macadam and gravel road built by the State, is 14.95 miles, at a cost of $121,810.78.

The cost of repairing and maintenance from 1896 to 1899 is $1,633.98, making the total cost $123,444.76. The total amount due the State under Chapter 497, Sec. 5 of Acts of 1897, is 25 per cent., viz: $30,861.19.

The following schedule will show the number of miles built in the County in the several Cities and Towns, with the cost of constructing, repairing and maintenance of the same.

## BRISTOL COUNTY.

* Exclusive of repairs and maintenance.

**Amount Expended for Repairs and Maintenance of State Highways**

BRISTOL COUNTY.

DEC. 31, 1898.

| CITY OR TOWN. | Expended in 1896. | Expended in 1897. | Expended in 1898. | Total. |
|---|---|---|---|---|
| Acushnet, | | | $41.44 | $41.44 |
| Fairhaven, | | $8.73 | 97.45 | 106.18 |
| North Attleboro, | | 65.81 | 203.82 | 269.63 |
| Rehoboth, | | 9.33 | 74.56 | 83.89 |
| Somerset, | | 5.18 | 108.24 | 113 42 |
| Taunton, | $235.45 | 352.83 | 145.73 | 754 01 |
| Westport, | | 132.96 | 162.45 | 295.41 |
| Total, | $235 45 | $594.84 | $803.69 | $1633.98 |

The meeting of the State Highway Commissioners, held in Taunton in December, was largely attended by the residents of the several cities and towns, and the remarks made at that meeting showed that the people of the County were in favor of good roads and believed in the State Highway; they criti-

cized, however, the method adopted by the Commissioners in proportioning the amount granted by the Legislature to the several Counties on the basis of the number of miles in the towns exclusive of the cities, and believe that some other method could be adopted whereby the amount could be more equally proportioned, and Bristol County would receive a larger portion than under the present method.

The fact of there being three large cities in this County and the small number of roads in the towns make the proportion of roads small in comparison with our wealth and population.

Without criticizing the good work that it is done by our State Highway Commissioners, they still believe that a macadam road of 15 feet in width can be constructed equally as well as that constructed by the Highway Commissioners at a great deal less cost per mile, and we hope some change will be adopted whereby the desired result may be accomplished.

## BRIDGES.

The only work performed on any bridge in the county during the year was on the east and middle sections of the New Bedford and Fairhaven bridge.

The east section is completed and accepted by the County; the sub-structure of the middle section is completed and accepted by the County, and the super-structure of the middle section between Pope's and Fish Island was completed January 1st, with the exception of the application of the electric appliance for opening the draw, which work will be completed by February 1st, 1899. The third section, from the east side of Fish Island to New Bedford, is delayed for several reasons, the principal one being the question of abolishing the grade crossing; the Commissioners consider under the Special Act of the Legislature that the abolishing of the grade crossing is not within their jurisdiction; also the failure of Congress to appropriate money necessary to

dredge out the new channel between Fish and Pope's Islands has caused delay, but we hope the present session of Congress will make the necessary appropriation and that the work on the third section may be resumed. The plans for this section have been prepared, but have not been approved by the War Department and Harbor and Land Commissioners. On this account no action has been taken by the Commissioners to issue proposals for a contract to build this section.

Plans have been prepared to construct a temporary brow on Fish Island to connect the new bridge with the old so that the two sections of the new bridge already completed may be available.

A contract for furnishing electric motors and furnishing operating equipments for the draw of the New Bedford and Fairhaven bridge was awarded June 3, 1898, to Edgar & Buffington, of Fall River, for $8,168, they being the lowest bidders; this is the only contract awarded the past year.

There have been awarded as damages, the past year, caused by the laying out of the bridge, the following sums:

| | |
|---|---|
| To Anjeannette E. Smith, | $490.50 |
| " Delia M. Wood, M. Pope Wood, Evaline S. Wood and Margaret J. Wood. | 1,500.00 |
| " Samuel G. Pope, | 600.00 |
| " Union Street Railroad Company of New Bedford, | 7,500.00 |

## REPAIRS.

By Chapter 319 of the Acts of 1897 the Commissioners were authorized to spend a sum not to exceed $50,000.00 in providing additional accommodations for the Superior Court and for the Third District Court at New Bedford, and in accordance with said law the Commissioners have voted to purchase the property of the New Bedford Institution of Savings, situated on the northeast corner of William and Second streets in New Bedford, for the sum of $17,500.00,

for the purpose of providing additional accommodations for the Third District Court.

The matter of carrying out the provisions of the foregoing Act have caused the Commissioners a good deal of trouble; they have had several conferences with the New Bedford Bar Association as to how the money might be best expended, but on account of there being a variety of opinions a good deal of delay has been occasioned. Plans are now being prepared for an addition to the Court House on County street, and we hope that during the coming year both the County Court House and the Third District Court will be supplied with suitable accommodations.

The necessary repairs to the County Buildings that have been required the past year were made, and they are now in good condition to-day, with some exceptions.

The Court House at Taunton is in good condition, and will not need any great outlay. The Old Court House (so-called) now used for the District Court and other County offices at Taunton, will need some repairs the present year. The Registry of Deeds Building is in fair condition, but will require some outlay during the year. The Jail at Taunton was mentioned in last year's Report as requiring extensive repairs and changes in the steam-plant. A few necessary repairs were made during the year. The steam-plant (consisting of boilers and piping throughout the building) is in such poor condition that it will be unsafe to allow them to remain another year, and provision has been made in the estimate of the present year to erect a new boiler house, kitchen and new boilers; also to replace the necessary piping that will be required.

The Court House at Fall River is now in fairly good condition. The roof has constantly given us trouble, and we hope it can be repaired the coming year without any great expense.

The New Bedford Court House is in good condition as regards repairs, but the additions contemplated the present

year will necessitate a number of changes, among them the heating and ventilating plant; but we hope the amount authorized by the Legislature will be sufficient to cover the expense necessary to the changes.

There has been no great outlay for repairs the past year upon the Jail and House of Correction at New Bedford, only such changes being made as were necessary to accommodate the new manufacturing industry. The slate roof on the work-shop will require re-slating or a copper roof the coming year. The boilers under the Jail have been in service for seventeen years, and are in such condition that they require a large outlay. Objections have been made to the location of the boilers under the Jail, and it has been proposed to have them removed and new boilers placed in the boiler-room and have them so connected that as to have them under the supervision of the engineer in charge, and we deem this change profitable as regards economy and safety. New machinery will have to be added the coming year to the laundry.

## PETITIONS ENTERED DURING THE YEAR.

The following Petitions were received during the year:

The petition of Mount Hope Park Co., for license to operate ferry in Mount Hope Bay, which petition after a full hearing was dismissed.

The petition of the Mount Hope Ferry Co., for license to operate a ferry in Mount Hope Bay, which petition was granted.

The Petition of the Hebron Manufacturing Company for abatement of tax, which said petition, after a full hearing was dismissed.

The petition of David F. Sherwood and another for leave to construct railroad at grade with highway at Barrowsville, which said petition was granted.

The petition of Philo H. Pickens and others for assessment

of damages for land taken by virtue of Chapter 345, Acts of 1894, which petition is still pending.

The suit brought by the Edge Moor Bridge Company against the County Commissioners, for damages for refusal to execute a contract which they claim was awarded to them has been disposed of by a decision in favor of the County.

There is now pending a suit against the County brought by Messrs Steward & McDermott for extras arising out of the construction of the second section of the New Bedford and Fairhaven Bridge; negotiations for the settlement of this suit are now in progress and we hope that the same may be settled without a trial.

During the year the following suits against the County have been entered in the Superior Court in this County for damages occasioned by the change of the grade of the New Bedford and Fairhaven Bridge on Fish Island:

| | |
|---|---|
| Weston Howland, pet'r vs. | County of Bristol. |
| Delaney B. Kelley et al., pet'rs vs. | " " " |
| John Duff, pet'r vs. | " " " |
| Elizabeth R. Wardell, pet'r vs. | " " " |
| William F. Nye, pet'r vs. | " " " |
| Luther Russell, pet'r vs. | " " " |
| Weston Howland, et ali, pet'rs vs. | " " " |
| John Duff, et ali, pet'rs vs. | " " " |
| Union St. R'y Co., pet'rs vs. | " " " |
| Standard Oil Co., pet'r vs. | " " " |

All of the above suits with the exception of three have now been adjusted.

We hereto append a table showing the sums paid to the several County Officials.

EDWARD MOTT,
WM. SANDERS,
GEORGE T. DURFEE, } *County Commissioners.*
